OBRA MAESTRA – Masterpiece Limited	Lagos, Nigeria
Junior Land Surveyor	November 2022 - April 2023
• Accurately setting-out to mark property boundaries and establish building corners. • Utilized leveling equipment to transfer building height levels and maintain consistency. • Monitored site progress using drone and provided technical insights to resolve surveying challenges	

Education

Udemy	Online Course
Full-Stack Web Development	January 2023 - February 2025
Course Link	
Enugu State University of Science and Technology	Bachelor’s in Surveying and Geoinformatics • 3.33
Surveying and Geoinformatics	Agbani, Nkanu West LGA Enugu State • January 2018 - September 2022
https://www.esut.edu.ng	

Skills

🔗 Surveying
Cadastral Survey, Boundary Survey, Engineering Survey, Topographic Survey, Construction Setting-Out, Leveling, Traverse Survey, GNSS Surveying, Total Station Operations, Coordinate Computation, Topographic Mapping, Survey Data Processing, Site Reconnaissance, Construction Control Surveys, Survey Calculations
🔗 Software
AutoCAD, Surfer, Microsoft Word, Microsoft Excel, Microsoft PowerPoint
🔗 Equipment
GNSS Receiver, Total Station, Automatic Level, Handheld GPS

Projects

Residential Boundary Survey – Boundary identification and beacon verification

Estate Layout Survey – Survey control establishment and parcel layout

Building Setting-Out – Transfer of design coordinates to construction sites

Topographic Survey – Terrain mapping for planning and design

Engineering Survey – Control surveys supporting infrastructure projects

Certifications

Bachelor of Science (B.Sc.) in Surveying and Geoinformatics September 2022

Enugu State University of Science and Technology (ESUT)

<https://www.esut.edu.ng/>

Certificate of National Service October 2024

National Youth Service Corps (NYSC)

<https://www.nysc.gov.ng/>

The Complete Full-Stack Web Development Bootcamp March 4 , 2025

Dr. Angela Yu,Developer and Lead Instructor

Technical Strengths

- Excellent field data collection
- Survey computations
- Attention to detail
- Team collaboration
- Report preparation
- Problem solving
- Time management

Volunteer

National Youth Service Corps (NYSC) November 2023 - October 2024

Lagos

EFCC Community Development Service (CDS)

- Participated in anti-corruption awareness initiatives and community education programs with the Economic and Financial Crimes Commission (EFCC) CDS group.
- Collaborated with team members to plan and execute public sensitization activities, enhancing organizational and communication skills.
